A comprehensive policy provides cover for damage caused to other vehicles, injuries to their drivers and all passengers involved. It also covers you and your passengers for injuries, loss or damage to your car through accident, fire or theft.

Legal assistance provides help towards the legal costs for things such as compensation for personal injury or loss of wages.

With Roadside assistance and recovery, if your car breaks down at least a mile from home or anywhere in the UK, we'll help to repair it or take it to the nearest garage. It also provides help to get you and your passengers to where you need to go in the UK.
